
Note of creation an account JNS

1. Introduction

On 1 September 2016, the new platform of our JNS newspaper was born.

JNS (Journal of New Sciences) is an international scientific journal. JNS aims to publish articles covering the research on agriculture and biotechnology.

To serve the community involved in research knowledge we provide a new on-line platform to share and disseminate knowledge and promote local and international research.

The present document is mainly intended for the users of JNS to guide them to create a user account.

2. Why register ?

The creation of an account JNS allows you to welcome a member space to consult protected contents.

Each member:

- ✓ Has a profile page that contains all information.
- ✓ Has a membership directory that allows access to each profile and manage connections with him.
- ✓ Can reach pages which are reserved for him.
- ✓ Can create and manage blogs.
- ✓ Can consult the list of articles which you made if you are an author.

3. The steps for creating an account JNS

From the home page of JNS (www.jnsiences.org), click "Register" or "Sign up" to access the registration form:

- Then, when you send a connection request to a member of JNS selected, an email will be sent and in this email is a confirmation link in the connection request (see the images below).

The screenshot shows the user profile page for 'User2016 JNS (UserJNS2016)'. At the top, a yellow notification bar states 'You have successfully logged in'. Below this, a blue banner indicates 'The connection with [user icon] is pending your acceptance', with 'Accept' and 'Reject' buttons. A red arrow points to this banner. The profile card shows 'User2016 JNS (UserJNS2016)' with 1 connection and 2 views. A table below the profile card lists user details:

USER NAME	User2016 JNS (UserJNS2016)	MEMBER SINCE	a day
RESUME	-	LAST ONLINE	about 2 hours ago
DESCRIPTION	-	LAST UPDATED	-

The left sidebar contains navigation links like 'Home', 'Agri & BioTech', and 'LATEST VOLUMES'. The right sidebar shows 'MEMBER ACCESS' and 'MY ACCOUNT' options.

The screenshot shows the same user profile page after the connection has been accepted. A yellow notification bar at the top says 'Connection Successfully Accepted!'. The blue banner now reads 'You are directly connected with [user icon]'. The profile card shows 'User2016 JNS (UserJNS2016)' with 2 connections and 3 views. The table below the profile card is identical to the previous screenshot:

USER NAME	User2016 JNS (UserJNS2016)	MEMBER SINCE	a day
RESUME	-	LAST ONLINE	about 2 hours ago
DESCRIPTION	-	LAST UPDATED	-

The layout and sidebar elements remain the same as in the previous screenshot.

- The submenu « Manage Connections » posts the list of the members JNS that you have already established a connection with them and you can then consult their profiles, send them emails either delete them.

The screenshot shows the 'Manage Connections' page. At the top, there is a breadcrumb trail: 'Home / Manage Connections'. Below this, there are tabs for 'Manage Actions' and 'Manage Connections'. The main content area is titled 'Manage Connections' and contains a table with columns for 'CONNECTIONS', 'TYPE', and 'COMMENT'. A single connection is listed with a 'JNS Member (JNSMember)' profile picture and a dropdown menu for 'TYPE' containing options like 'Friend', 'Co Worker', and 'Family'. There are 'Update' and 'Cancel' buttons at the bottom of the table. On the right side, there is a 'MEMBER ACCESS' section with a 'Log out' button. The left sidebar contains navigation links for 'Home', 'Agri & BioTech', 'General Informations', 'Online Submission', 'JNS Editorial Board', 'Impact Factor', 'Instructions', 'Instructions to Authors', and 'Our Vision'. Below the sidebar, there is a 'LATEST VOLUMES' section listing various journal volumes.

- The last submenu « Log out » allows you to make the logout.

The screenshot shows the user profile page for 'User2016 JNS (UserJNS2016)'. The breadcrumb trail is 'Home / Profile / User2016 JNS (UserJNS2016)'. The profile card shows the user's name, a silhouette profile picture, and statistics: '1 CONNECTIONS' and '3 VIEWS'. Below the profile card, there are tabs for 'Contact Info', 'Articles 0', and 'Blogs 0'. A table displays user details: 'USER NAME' (User2016 JNS (UserJNS2016)), 'MEMBER SINCE' (a day), 'RESUME' (-), 'LAST ONLINE' (about 2 hours ago), and 'DESCRIPTION' (-). On the right side, there is a 'MEMBER ACCESS' section with a 'Log out' button. The left sidebar is identical to the previous screenshot. At the bottom left, the URL 'www.jnsciences.org/cb-logout.html' is visible.
